

ONWARD

2021 ANNUAL REPORT

VITAL LIFE
FOUNDATION

LETTER FROM THE BOARD

When each new day seems to bring new challenges and uncertainty, what have you come to value most? Probably the little things.

The embrace of family. Gestures of unexpected kindness, given or received. A voice. A touch. A glass of wine with a friend, or an impromptu ice cream adventure after a child's first soccer game.

After all we've faced together, every tiny slice of time and connection glows precious and priceless. These simple moments are the building blocks of being human—and for Vital Life, creating them has always been at the heart of our mission.

CREATING THE MOMENTS THAT MATTER MOST

Not that big achievements aren't important. From modest beginnings in 2008, the Foundation's efforts have only grown in scale and impact. Even with the unprecedented obstacles 2021 presented, through the contributions of our donors and sponsors, we were still able to give more than **\$500,000** to charitable partners and causes.

Your incredible generosity has never wavered, and was augmented with over **\$133,000** raised from 994 employees through Spirit Club, and nearly **\$21,500** in Vital Volunteer time and donations.

But underneath all these major programs and partnerships, perhaps our most important contribution throughout the pandemic has been to simply continue making meaningful moments possible—one life at a time.

Like the excitement on a dying man's face to see a baseball game with his son. The rose placed in the unsteady hands of a lonely senior on Valentine's. The child's delight as she pulls school supplies from that neon-green backpack. The tears of gratefulness in a hero's eyes as he takes to the skies, one more time.

That's why we do what we do, and why you give what you give—to create unforgettable experiences that help strengthen and heal. That bring joy, affirmation and hope in good times and difficult.

Without your positivity, resilience and legendary commitment to meeting needs and making magic, those moments simply wouldn't be possible.

Working together with our donors, sponsors and charitable partners, Vital Life looks to the future undaunted, with a shared purpose that points in one direction only—onward.

HIGHLIGHTS FROM 2021

ELEVATED WISHES MAKES BOB'S BASEBALL DREAM COME TRUE

Baseball had always been a huge part of Bob's life—he'd played it, coached it and loved to watch it. So when the opportunity came at age 90 for the senior care resident to be granted an Elevated Wish to attend a game with one of his sons, it was a dream come true.

Elevated Wishes is a partnership between Vital Life and Wish of a Lifetime from AARP, dedicated to bringing cherished dreams to life

for seniors. The pandemic forced a pause on the program in 2020, so Bob's special day represented an exhilarating return.

As most Elevated Wish stories do, this one started with a senior care staff member who listened. Bob's wife had recently passed away, and Tracy, the facility's social services director, noticed he'd been discouraged lately. Since the topic of baseball kept coming up whenever they talked, she resolved to somehow get him to a game, and reached out to Vital Life to help make it happen.

“Knowing we can create experiences like this for our residents is incredibly rewarding.”

When Tracy shared the good news with Bob, and told him his son Larry would be going too, tears came to his eyes. And before the game had even begun, they flowed again as he held his hand over his heart during the national anthem. Then he was riveted to the action, constantly talking to Larry about players and strategy.

In the days following, Bob couldn't stop telling staff members how exciting it all was, and his appreciation took on extra meaning when he unexpectedly passed away a short time later. “Losing someone like him is really hard,” said Tracy, “but knowing we can create experiences like this for our residents is incredibly rewarding.”

BACKPACK TO SCHOOL PROGRAM GOES BACK TO SCHOOL

When the school year started in 2021, more than 1,400 elementary-aged children of staff at 51 senior care facilities once again had Vital Life Foundation backpacks slung over their shoulders.

It was a stirring sight, especially since the Backpack to School program had to be put on hold during 2020 due to COVID-19. For parents managing tight budgets, the gift of school supplies was a welcome relief.

The program began in 2008, and over the years since then, with nearly 25,000 backpacks delivered. It's a way to champion

“It's been a tough go with COVID-19, so to know we have this kind of support is wonderful.”

future health care leaders, and show appreciation and support for those who care for our residents.

At one Portland-area senior care facility, an outdoor party with a Hawaiian vacation theme was planned to present

the backpacks. Staff lined up to receive them personally from residents, who enjoyed playing a part in supporting the children.

Jesse, a facility resident and veteran, felt strongly about the importance of Backpack to School. “We don't put enough emphasis on our kids in America anymore,” he said. “They need the best education our money can buy, so it's good that people are donating. We can never give them too much.”

“It's great just to have some help,” said Robert Thomas, facility admissions director, as Jesse handed him a backpack. “It's been a tough go with COVID-19, so to know we have this kind of support is wonderful.”

RETURN OF BRIDGETOWN BASH CELEBRATES LOYAL SPONSORS

Since the tradition started in 2012, the Bridgetown Bash has been Vital Life's largest fundraiser, and has become known to attendees as an annual not-to-be-missed affirmation of the Foundation's mission. So when the festivities had to be paused in 2020 because of COVID-19 safety restrictions, the disappointment was palpable.

But everyone loves a good comeback story, and when the Bash returned in 2021, on a beautiful September evening in the heart of Oregon wine country, it was both a reunion and a celebration. With a theme of Rise and Shine, it paid tribute to all the sponsors who have continued supporting Vital Life through these unprecedented and challenging times.

It was a special night of inspiration and shared purpose, and the more than \$726,000 donated that evening demonstrated a passionate on-going commitment to the Foundation—virtually matching the pre-pandemic total raised in 2019.

“If 2020 proved anything, it was that no matter the challenges we’ve faced, and no matter what lies ahead, we’re in this together and will always be there for each other.”

“The generosity and commitment of our sponsors has been incredible,” said Amy Drahota, Executive Director of the Foundation, in the evening’s video presentation. “If 2020 proved anything, it was that no matter the challenges we’ve faced, and no matter what lies ahead, we’re in this together and will always be there for each other.”

She shared that every person who supports Vital Life is valued not just for writing a check—important as that act is—but also for the many ways they give generously of their experience, talent and ideas.

“Thanks to the resilience, love and devotion of each of you, our sponsors,” she said, “I know we will continue to Rise and Shine—together.”

WORLD WAR II VETERANS TAKE TO THE SKIES AT SPIRIT OF '45

For six World War II veterans and their families, Vital Life's 2021 Spirit of '45 event was a celebration they'll never forget.

With ages spanning from 93 to 101, they each climbed into the open cockpit of a Boeing

“It was an awesome ride, and I’m indebted to this organization for providing it.”

Stearman bi-plane and took to the skies. The rides were provided by Dream Flights, a Foundation charitable partner. This year's event was even more significant than usual, since it had been cancelled in 2020 due to the pandemic.

“It was a wonderful flight and I’m glad I got this opportunity,” said Ted, 94, a Navy veteran. “I’m overwhelmed with the love and kindness people showed.

Congress established Spirit of '45 Day to pay tribute to the sacrifices of the Greatest Generation and their contributions to the Allied victory, and Vital Life has celebrated it since 2016. Other highlights included a ceremony honoring the six participating veterans and telling their stories, followed by an all-American lunch.

For Bud, a 101-year-old Air Force veteran, flying in the Stearman was an incredible experience. It was the plane he learned to fly in, and he hadn't been back in one for 80 years. “It was an awesome ride,” he said, “and I’m indebted to this organization for providing it.”

Reflecting on his own exhilarating flight, Bill, a 98-year-old Air Force veteran perhaps summed it up best. “When I was up there flying, I got to thinking that this is something I’ll never forget for the rest of my life.”

CUPID CREW DELIVERS LOVE TO SENIORS

As Valentine's Day approached in 2021, it was a particularly lonely time in senior care facilities. Stringent COVID-19 visitation restrictions were in place, and residents felt growing feelings of isolation and loneliness.

To help bring smiles to their faces, and despite the obstacles of the pandemic, Vital Life was able to continue sharing love and cheer through Cupid Crew, a program created and championed by Wish of a Lifetime from AARP, a Foundation charitable partner. Each year more than 250,000 roses are given to seniors nationwide.

Though the usual personal visits by volunteers weren't possible in 2021, Vital Life still facilitated

the delivery of more than 3,500 roses to the front doors of 50 senior care facilities in five states for distribution by staff. Residents also received hand-written cards created by scores of volunteers in homes, offices and other community settings.

“It can be a very difficult day for many people, and I just wanted them to know that even if they feel lonely sometimes, they’re not alone.”

Olivia, who joined work colleagues in her company's conference room to craft dozens of cards, was driven to participate by her own grandmother's experience. “She lived in assisted living, and I remember how isolated she felt on her first Valentine's without my grandpa,” she said. “It can be a very difficult day for many people, and I just wanted them to know that even if they feel lonely sometimes, they’re not alone.”

Looking to the future, the goal in 2022 is for even more roses and cards to be delivered. And hopes are high that Foundation volunteers will once again be able to personally discover the priceless and genuine connection that's unlocked with every rose handed to a senior.

2021 DONORS

SPIRIT CLUB MEMBERS

Marquis and Consonus employees who choose to make donations to the Vital Life Foundation through payroll deductions. Their donations are equally matched by Marquis and Consonus, thus doubling the impact to charitable organizations.

VITAL VOLUNTEERS

Marquis and Consonus employees who have a personal involvement in charitable giving through volunteer hours or monetary donations. The Vital Life Foundation was able to match their charitable giving with a monetary donation.

INDIVIDUAL DONORS

Individual donors are those who personally donated to the Vital Life Foundation. This may include employees of Marquis and Consonus who made donations beyond that of the Spirit Club.

CORPORATE DONORS

Corporations who have contributed to the Vital Life Foundation via monetary and/or in-kind donations.
