Letter from the Board

Thanks to your generous support, in 2024 we distributed \$791,100 to a diverse ecosystem of charitable partners across our region. We reflect on this past year with deep gratitude for our donors, partners, and staff who made it possible to honor veterans, fulfill meaningful wishes, and combat isolation among seniors through compassion, creativity, and connection. As we set sail for an even bigger impact in 2025, we're inspired by our theme: Bon Voyage!

Bon Voyage is a joyful invitation to embrace purpose, possibility, and vitality in every stage of life. We invite you to seek innovative ways to expand our reach of giving. Bon Voyage is our call to action, let's push ourselves further in pursuit of making the world a better place for senior healthcare, creating more enriching opportunities for seniors and the staff who serve them to live the best rest of their lives.

So, let us raise a glass - or perhaps a sail, to smooth seas, fair winds, and a year ahead filled with impact and shared purpose.

Let's Set Sail Together! Bon Voyage.

cupid ♥ crew™

WISH OF A
LIFETIME
FROM AARP

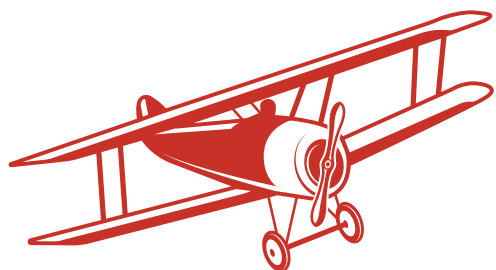

The Cupid Crew initiative combats loneliness among seniors by delivering roses, handmade cards, and meaningful conversations on Valentine's Day. In 2024, Vital Life Foundation volunteers delivered over 10,000 roses and hundreds of handwritten cards to more than 70 senior care communities across 11 states. As part of a larger national effort led by Wish of a Lifetime from AARP, Cupid Crew reached more than 230,000 seniors on Valentine's Day. Despite a winter storm, our volunteers showed up with warmth, compassion, and unwavering commitment. Rain, snow, or shine, the Cupid Crew shows up to share the love. This year's effort was enriched by extended partnerships within our ecosystem, including continued participation from Pilot Pals alumni and the University of Portland Women's Basketball Team.

CUPID CREW MADE A BIG IMPACT IN 2024!

- 10,000+ Roses Delivered
- 3,000 Valentines Day Cards Created
- 70 Senior Campuses Visited

Partner Spotlight

**KEEP THE
SPIRIT OF '45
ALIVE**

Dream/Flights®

Spirit of '45 honors the service, sacrifice, and “can-do” attitude displayed by all U.S. military personnel since World War II. In partnership with Dream Flights, this annual celebration offers a commemorative ceremony, an all-American picnic lunch accompanied by live music, and the opportunity for senior veterans to take their complimentary flights in restored WWII Boeing Stearman biplanes. In 2024, the Spirit of '45 expanded to Las Vegas, Nevada serving 7 senior veterans with flights. Meanwhile, in Oregon we saw 27 senior veterans fly, and an additional 8 healthcare employees take to the skies. Concerns over air quality put a hold on our Klamath Falls event, but we look forward to flying there next year. With the sky as our limit in 2025, we are continuing efforts to expand our impact.

IN 2024, SPIRIT OF '45 EXPANDED ITS PROGRAM TO LAS VEGAS, NEVADA!

- 34 senior veteran flights
- 8 staff veterans flights
- 2 communities served

Partner Spotlight

WISH OF A LIFETIME

FROM **AARP**

Through our partnership with Wish of a Lifetime from AARP, the Elevated Wishes program supports seniors in pursuing their dreams to create joy, connection and renewed purpose.

In 2024, Beth made it her wish to scuba dive in the ocean. Beth's life changed after a devastating car accident in her twenties which caused her traumatic brain injuries. Despite ongoing health challenges, Beth worked hard to prepare for her Elevated Wish; a once-in-a-lifetime excursion to scuba dive in the Honduras.

Beth's wish was made possible thanks to the collaboration of her physical therapist, also a Vital Volunteer, and Scuba Access for Everyone (S.A.F.E.), a nonprofit organization dedicated to making scuba diving accessible to all people. Through long-term rehabilitation and the support of those around her, Beth found a renewed sense of freedom once reunited with the ocean.

Immersed in the weightlessness of the water, Beth experienced liberation she hadn't felt in years. "It felt like flying," she shared. **"I just want to show people that anyone can do everything they want to in life."** As we celebrate Beth's achievements, we look forward to supporting many more seniors in making their dreams come true.

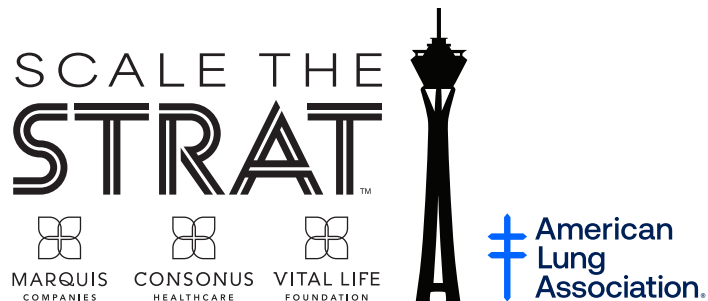

Partner Spotlight

The annual Elf Give holiday toy and gift drive brought joy to children and families at the Ronald McDonald House Charities Portland. Through the fundraising efforts from volunteers, senior healthcare staff, and residents, hundreds of toys, books, and gifts were collected. To bring comfort and joy to families during the holidays, our volunteers transformed the Ronald McDonald House into a winter wonderland toy store!

Partner Spotlight

In a show of endurance and team spirit, staff working in senior care communities across Nevada climbed over 1,455 steps up 108 floors of the famous Strat Hotel in Las Vegas.

In 2024, The Vital Life Foundation sponsored a team of staff members from Marquis and Consonus in Nevada, emerging as one of the largest climbing teams to participate at the Las Vegas Fight for Air Climb. This effort was in support of the American Lung Association's Fight for Air campaign, an initiative dedicated to combating lung disease and improving respiratory health. In the weeks leading up to the event, team members trained rigorously, fostering camaraderie and strengthening their commitment to the cause.

“This event embodies our commitment to improving the lives of our patients and communities, and pushing our limits to bring attention and resources to those who need it.”

Partner Spotlight

The Backpack to School program aims to alleviate financial strain placed on families with children purchasing school supplies. This initiative provides essential materials to children in kindergarten through sixth grade whose parents work in senior healthcare. Partnering with Exceed Enterprise (now part of Albertina Kerr), we continue to support meaningful employment for individuals with intellectual and developmental disabilities. Special backpack distribution parties are hosted on over 30+ senior care community campuses, where senior residents personally hand out backpacks to the children of their caregivers.

Since its establishment in 2008, the Backpack to School program has grown impressively, distributing more than 25,000 backpacks across 14 states. **In 2024, we distributed 655 backpacks to children of employees in over 30 senior care communities.**

Partner Spotlight

The Art for the Heart program is a pioneering initiative designed to spark creativity and self-expression among seniors in a vibrant, social setting. Each month volunteers prepare art kits filled with seasonal crafts and activities, reaching over 300 seniors. By fostering artistic exploration, the program connects seniors with one another and with

the therapeutic benefits of art, enhancing their sense of community and well-being. We are excited to grow Art for the Heart, expanding its reach to enrich the lives of even more seniors through the joy of creative expression.
