LETTER FROM THE BOARD

Thanks to your generous support, in 2025 we distributed ***$844,160*** to a strong posse of charitable partners across our region. We reflect on this past year with deep gratitude for our donors, partners, and staff who made it possible to honor veterans, fulfill meaningful wishes, and combat isolation among seniors through compassion, creativity, and connection.

As we ride into an even bigger year of impact in 2025, we're inspired to ***Saddle Up!***

Saddle Up! is a joyful invitation to embrace purpose, possibility, and vitality at every stage of life. It's a call to action—to think boldly, explore new opportunities, and find innovative ways to expand the reach of our giving.

This year, we're challenging ourselves to blaze new trails in our commitment to advancing senior healthcare and enriching the lives of those we serve. Together, we can create more enriching opportunities for seniors and the dedicated staff who serve them, helping everyone live the best rest of their lives.

So, let's tip our hats, gather our herd, and celebrate a year filled with purpose, possibility, and meaningful impact.

Saddle Up! Let's Ride Together!

TOTAL	**$**	**130,959**

PARTNER SPOTLIGHT

cupid crew™

WISH OF A LIFETIME FROM AARP

The Cupid Crew initiative brings love, connection, and a reminder that no one is forgotten to seniors who may be experiencing loneliness. Through the simple yet powerful gestures of delivering roses, sharing handmade cards, and spending meaningful time together on Valentine's Day, our volunteers create moments of joy that touch the heart.

In 2025, Vital Life Foundation volunteers delivered more than 10,000 roses and hundreds of handwritten cards to over 70 senior care communities across 11 states. As part of a larger national effort led by Wish of a Lifetime from AARP, Cupid Crew helped bring love and connection to more than 240,000 seniors nationwide.

Beyond every rose and handwritten card was a message that matters most: you are valued, you are remembered, and you are loved. Through their kindness, compassion, and heartfelt presence, our volunteers made Valentine's Day more than a celebration of love—they made it a reminder of the profound difference human connection can make.

CUPID CREW MADE A BIG IMPACT IN 2025!

- 10,000+ Roses Delivered
- 3,500+ Valentines Day Cards Created
- 73 Senior Campuses Visited

PARTNER SPOTLIGHT

KEEP THE SPIRIT OF '45 ALIVE

Dream Flights®

Spirit of ’45 is a heartfelt tribute to the courage, sacrifice, and enduring “can-do” spirit of the American men and women who have served our nation, from World War II to today. In partnership with Dream Flights, this annual celebration honors our senior veterans with a commemorative ceremony, an all-American picnic accompanied by live music, and an extraordinary opportunity to take to the skies in restored WWII Boeing Stearman biplanes—giving these heroes a chance to experience the freedom they helped protect.

In 2025, Spirit of ’45 expanded its reach to six cities across the country. In Oregon, 23 senior veterans took to the skies to experience of flight, joined by three healthcare employees who also took flights. Each flight was more than a journey above the clouds; it was a tribute to a lifetime of service, a celebration of freedom, and a powerful reminder that our heroes deserve to be celebrated.

As we look to 2026, **our mission continues to soar.** With hearts full of gratitude and our sights set on reaching even more veterans, we remain committed to honoring those who answered our nation’s call and ensuring their courage, sacrifice, and legacy are never forgotten.

IN 2025, SPIRIT OF ‘45 EXPANDED ITS PROGRAM TO LAS VEGAS, NEVADA!

- 62 senior veteran flights
- 3 staff veterans flights
- 20+ communities served

PARTNER SPOTLIGHT

SCALE THE STRAT™

MARQUIS COMPANIES · CONSONUS HEALTHCARE · VITAL LIFE FOUNDATION

American Lung Association.

Rising to the challenge, 77 dedicated team members from Marquis and Consonus came together in Nevada to conquer the 1,455 steps across 108 floors of the iconic STRAT Hotel in Las Vegas for the 2025 Fight for Air climb. Sponsored by the Vital Life Foundation, the team was one of the largest participating groups in the Las Vegas Fight for Air Climb, turning personal determination into a powerful show of teamwork, compassion, and purpose.

More than a physical challenge, every step represents a commitment to the fight against lung disease and the mission of the American Lung Association to improve respiratory health. In the weeks leading up to the climb, team members trained together, built lasting camaraderie, and strengthened their resolve to make a difference for those impacted by lung disease.

"Every step we take is a step toward hope. This event reflects the heart of our mission—coming together to support the health of our patients, strengthen our communities, and go above and beyond for those who need us most."

PROGRAM SPOTLIGHT

BACK PACK TO SCHOOL

The Backpack to School program helps families start the school year with confidence by easing the financial burden of purchasing essential school supplies. Through this initiative, children in kindergarten through sixth grade whose parents work in senior healthcare receive backpacks filled with the tools they need to learn, grow, and succeed. Across more than 30 senior care community campuses, special distribution celebrations bring generations together as senior residents personally present backpacks to the children of their caregivers, a meaningful reminder of the care and connection that unite our communities.

Since launching in 2008, Backpack to School has provided more than 26,000 backpacks across 14 states, making a lasting difference for thousands of families. In 2025 alone, we distributed 709 backpacks to children of employees across more than 30 senior care communities, helping young learners begin the school year prepared, supported, and ready to thrive.

PROGRAM SPOTLIGHT

ART FOR THE HEART

The Art for the Heart program is a meaningful initiative from the Vital Life Foundation that celebrates the power of creativity, connection, and self-expression at every stage of life. Designed to inspire joy and nurture the spirit, this program gives seniors the opportunity to explore their artistic talents, discover new interests, and create meaningful experiences in a welcoming, social environment.

Each month, dedicated volunteers prepare art kits filled with seasonal crafts, creative projects, and engaging activities designed to encourage participation and spark imagination. These kits reach more than 300 seniors across 18 senior care communities, bringing opportunities for creativity directly to residents and making artistic expression accessible to individuals of varying abilities and experience levels.

But Art for the Heart is about so much more than art. Every brushstroke, handmade creation, and shared project offers an opportunity for conversation, laughter, friendship, and a sense of accomplishment. Whether residents are exploring a new skill, reminiscing through a familiar craft, or proudly sharing their finished creations, these moments foster connection, encourage self-expression, and help combat the isolation that seniors may experience.

At its heart, Art for the Heart reminds us that creativity has no age limit and that the opportunity to learn, create, and connect remains important throughout life. We hope to make more moments of inspiration, connection, and joy possible, one art kit, one creation, and one heart at a time.
